

## Poetry Entrance Exam

Can you climb the stairs  
at the KGB Bar?  
Which is more important:

sound or image? Can you  
name any disabled poets  
at the Dodge Festival

at the National Books  
at the Pulitzers  
at the PEN Americans?

Who are you?  
Who do you think you are?  
Can you read lips

from the back row? Can you  
stand outside a while?  
We really love this building.
